## Coming of Age for Young Men

*"I got so much out of my trip: memories, experiences and undeniable challenges. Every moment of this trip allowed me to grow." - Lochlan, age 13*

### Olympic Odyssey (ages 12 - 14)

June 26 - July 3, 2024 | \$1495 | Preparation for Initiation through the male lens

Boys on the cusp of adolescence will discover and cultivate knowledge, skills and capacities that young adulthood requires. 8-day odyssey offers **dramatic sights, new friends and nightly campfire talking circles that foster community connection.** Youth will be well supported and build self-confidence as they overcome outdoor-living challenges, and connect with the natural world.

### Mountain Quest: Coming of Age for Young Men (ages 13 - 15)

July 8 - 28 & August 5 - 25, 2024 | \$3495 | Initiatory experience through the male lens

On this rugged wilderness journey, boys will live, learn and laugh in a community of male mentors and peers. **Mountain Quest offers a powerful experience to explore, self reflect, and claim their inherent gifts; then cultivate resiliency** through the solitude challenge of a 24-hour solo. They'll bring home a new sense of confidence, and experiences to guide them through the next stage of life.

**Financial Aid always available**
